

DANIEL J. CRAWFORD, EDUARDO RUIZ, TOD F. STUESSY, ERIC TEPE, PEDRO AQUEVEQUE, FEDELINA GONZALEZ, RICHARD J. JENSEN, GREGORY J. ANDERSON, GABRIEL BERNARDELLO, MARCELO BAEZA, ULF SWENSON AND MARIO SILVA O. 2001. Allozyme diversity in endemic flowering plant species of the Juan Fernández Archipelago, Chile: ecological and historical factors with implications for conservation. *American Journal of Botany* 88: 2195-2203.

Populations of plants examined for Crawford et al.

All populations except as noted are from Robinson Crusoe (Masatierra) Island in the Juan Fernández archipelago. All collection numbers are those of Stuessy et al. except as noted. Voucher specimens are deposited in CONC and OS

Asteraceae

Centaurodendron dracaenoides Johow
12,094: El Comote, in and around ridge
12,147: Corrales de Molina

Dendroseris berteriana (Dcne.) Hook. & Arn.
11,888: Cerro Agudo
11,893: Cerro Agudo
11,958: Puerto Frances, La Pi-a
12,125: Corrales de Molina
12,126: Corrales de Molina
12,173: La Piramide

Dendroseris litoralis Skottsbo.
6305: Cultivated in San Juan Bautista, CONF headquarters
6435: Cultivated in San Juan Bautista, yard on la Polvora Street
6483: Cultivated in San Juan Bautista, in garden of Sr. Chamorro Arrendondo

Dendroseris micrantha (Bertero & Dcne.) Hook. & Arn.
6308: Quebrada Agujereada
6624: Puerto Frances
6678: Puerto Frances

Dendroseris neriifolia (Dcne.) Hook. & Arn.
6307: Quebrada Lapiz, on path from San Juan Bautista to Puerto Frances
11,534: Quebrada Lapiz, 50 m below path from San Juan Bautista to Puerto Frances

Dendroseris pinnata (Bertero ex Dcne.) Hook. & Arn.
12,016: up ridge toward Damajuana
12,086: El Comote
12,149: Corrales de Molina
12,164: La Piramide

Dendroseris pruinata (Johow) Skottsb.

6218: Morro Spartan, off coast of Santa Clara Island

6445: La Vaqueria

12,085: El Comote

Erigeron fernandezianus (Colla) Harling

12,021: Corrales de Molina

12,043: Plazoleta del Yunque

12,153: Trail from San Juan Bautista to Mirador de Selkirk

15,018: Trail from San Juan Bautista to Mirador de Selkirk

15,089: Corrales de Molina

15,109: Corrales de Molina

15,213: Valle Villagra

15,235: Trail from San Juan Bautista to Salsipuedes

15,282: Valle Ingles up to Cerro Agudo

15,286: Cerro Agudo

15,313: Ridge between Valle Ingles and La Vaqueria

15,336: Puerto Frances

15,338: Puerto Frances, La Pi-a

15,352: Puerto Frances, Cerro Pascua

Anderson 4111: Trail from airport to Villagra

Robinsonia evenia Phil.

11,821: Cerro Alto

11,894: Cerro Agudo

11,982: Puerto Frances, La Pi-a

12,031: Corrales de Molina

12,108: Centinela Ridge

15,128: Cerro Agudo

15,269: Corrales de Molina

15,277: Corrales de Molina

15,343: Puerto Frances, La Pi-a

Robinsonia gayana Dcne.

11,836: Ridge west of Cerro Alto

11,850: Cerro Alto

11,852: Cerro Alto

11,945: Puerto Frances

12,022: Corrales de Molina

12,069: La Carbonera de Torres

15,003: Salsipuedes

15,006: Salsipuedes

15,031: Villagra

15,061: Puerto Frances, Cerro Pascua

15,075: Corrales de Molina

15,139: Cerro Agudo

15,140: Cordon Central
15,157: El Comote
Anderson 2042: Puerto Frances, La Pi-a

Robinsonia gracilis Dcne.

12,105: Ridge to La Centinela
12,136: Corrales de Molina
12,170: El Piramide
15,004: Salsipuedes
15,123: Cerro Agudo
15,158: El Comote

Robinsonia thurifera Dcne.

11,887: Cerro Agudo, third canyon
11,916: Cerro Agudo, fourth canyon
11,930: Cerro Agudo, fifth canyon
12,144: Corrales de Molina

Berberidaceae

Berberis corymbosa Hook. & Arn.

15,216: Above Mirador de Selkirk
15,364: Puerto Frances, Cerro Pascua

Campanulaceae

Wahlenbergia berteroi Hook. & Arn.

6219: Morro Spartan, off coast of Santa Clara Island
Anderson 2029-2031: Along cliffs north of cemetery, San Juan Bautista

Wahlenbergia fernandeziana Dcne.

6544: Valle Ingles, central ridge
6576: Valle Ingles, second small canyon from central ridge
Anderson 2026-2028: Along cliffs north of cemetery, San Juan Bautista

Wahlenbergia masafuerae (Phil.) Skottsb.

8403: Alexander Selkirk Island (Masafuera), Quebrada Pasto
11,444: Quebrada Casas
?

Chenopodiaceae

Chenopodium crusoeanum Skottsb.

11,383: La Vaqueria up north slope

11,384: La Vaqueria up north slope (100m from 11,383)

Chenopodium sanctae-clarae Johow

6217: Morro Spartan, off coast of Santa Clara Island

Euphorbiaceae

Dysopsis hirsuta Mull. Arg.

12,049: Plazoleta del Yunque

12,084: Plazoleta del Yunque to El Comote

12,102: Centinela Ridge

12,157: Villagra

15,015: Damajuana

15,027: Villagra

15,038: Villagra

15,067: Puerto Frances, Cerro Pascua

15,080: Corrales de Molina

15,091: Corrales de Molina

15,092: Corrales de Molina

15,155: Plazoleta del Yunque to El Comote

15,203: Mirador de Selkirk

15,251: Damajuana

15,270: Corrales de Molina

15,274: Corrales de Molina

15,328: La Vaqueria

15,339: Puerto Frances, La Pi-a

15,341: Puerto Frances, La Pi-a

15,356: Puerto Frances, Cerro Pascua

15,373: Villagra

Fabaceae

Sophora fernandeziana (Phil.) Skottsb.

11,867: La Vaqueria

11,875: La Vaqueria

11,991: Puerto Frances, Cerro Pascua

12,010: Damajuana

15,264: Corrales de Molina

Halorrhagidaceae

Halorrhagis masatierrana Skottsb.

12,002: Slope on main ridge toward Damajuana

12,044: Trail toward Plazoleta del Yunque

12,074: La Carbonera de Torres, overlooking Villagra

12,154: Trail from San Juan Bautista to Mirador de Selkirk

15,222: Trail into Valle Villagra

15,234: Path from San Juan Bautista to Salsipuedes
15,281: Valle Ingles, up central ridge to Cerro Agudo

Lactoridaceae

Lactoris fernandeziana Phil.

11,766: Mirador de Selkirk
11,784: Villagra
11,853: Cerro Alto
11,897: Cerro Agudo
11,908: Cerro Agudo
11,950: Puerto Frances
12,027: Corrales de Molina
12,040: Corrales de Molina
12,093: El Comote
12,141: Corrales de Molina
12,151: Corrales de Molina
12,152: Corrales de Molina

Lamiaceae

Cuminia eriantha Benth.

11,917: Cerro Agudo, fourth canyon
11,951: Puerto Frances, La Pi-a
12,123: Centinela
12,135: Corrales de Molina
12,146: Corrales de Molina
15,240: Salsipuedes
15,278: Corrales de Molina
15,298: Cerro Agudo, fourth canyon
15,303: Cerro Agudo, fifth canyon
15,348: Puerto Frances, La Pi-a

Myrtaceae

Myrceugenia fernandeziana (H. & A.) Berg.

12,007: Up ridge toward Damajuana
12,045: Trail toward Plazoleta del Yunque
12,046: Trail from Plazoleta del Yunque toward La Carbonera de Torres
12,155: Trail from San Juan Bautista to Mirador de Selkirk
15,024: Trail from San Juan Bautista to Mirador de Selkirk
15,028: Trail from Mirador de Selkirk to Valle Villagra
15,058: Puerto Frances, Cerro Pascua
15,065: Canyon down from Cerro Pascua
15,077: Corrales de Molina
15,079: Corrales de Molina

- 15,209: Valle Villagra
- 15,230: Side canyon from Valle Villagra
- 15,233: Path from San Juan Bautista to Salsipuedes
- 15,241: Salsipuedes canyon
- 15,304: Cerro Agudo, fourth canyon
- 15,314: Down ridge between Puerto Ingles and La Vaqueria
- 15,322: La Vaqueria
- 15,374: Cerro Agudo, fifth canyon

Piperaceae

Peperomia berteriana Miq.

- 11,880: Valle Ingles, up ridge to Cerro Agudo
- 11,979: Puerto Frances, La Pi-a
- 12,012: Main ridge toward Damajuana
- 12,097: El Comote
- 15,118: Cerro Agudo
- 15,187A: Valle Villagra down from Mirador de Selkirk

Peperomia margaritifera Hook.

- 15,187: Valle Villagra down from Mirador de Selkirk

Peperomia fernandeziana Miq.

- 12,005: Down from Damajuana toward sea
- 12,053: Trail from Plazoleta del Yunque toward La Carbonera de Torres
- 12,059: Trail from Plazoleta del Yunque toward La Carbonera de Torres

Rutaceae

Fagara mayu (Bert.) Engl.

- 11,866: La Vaqueria
- 11,984: Puerto Frances, Cerro Pascua
- 12,004: Main ridge toward Damajuana
- 12,026: Corrales de Molina
