

URSULA PEINTNER, NEALE L. BOUGHER, MICHAEL A. CASTELLANO, JEAN-MARC MONCALVO, MEINHARD M. MOSER, JAMES M. TRAPPE, AND RYTAS VILGALYS. 2001. Multiple origins of sequestrate fungi related to *Cortinarius* (Cortinariaceae). *American Journal of Botany* 88(12): 2168-2179.

Table 1. List of material included in the study of Peintner et al., "Multiple origins of sequestrate fungi related to *Cortinarius* (Cortinariaceae)". Species names, geographic provenance, source, collection number, and GenBank accession number are provided for each collection. *Cortinarius* spp. are listed following the classification published in Singer (1985). For authorities of species names refer Funindex (<http://194.131.255.3/cabipages/Names/NAMES.ASP>). Abbreviations: Aa. = Aanen, D.K. et al.; Aus. = Australia; B&F = Boyle, H. & J. Fehrer; Bo = Bougher; Cast. = Castellano; Cl = Claridge; H&H = Hoiland, K. & A. Holst-Jensen; IB = Herbarium Innsbruck, Austria; Liu = Liu, Y.J. et al., M&R = Martin, M.P. & A. Rocabruna; Monc. = Moncalvo, J.; R. = Russia, Seidl = Seidl, SG = Subgenus, T = Typus, Tr = Trappe.

| Genus / subgenus (SG)                 | Species              | Locality           | Source of collection | Collection number | GenBank accession number |
