

E. CHRISTINE DAVIS, JOSEPH B. FRANKLIN, A. JONATHAN SHAW AND RYTAS VILGALYS. 2003. Endophytic *Xylaria* (Xylariaceae) among liverworts and angiosperms: phylogenetics, distribution, and symbiosis. *American Journal of Botany* 90(11): 1661-1667.

Liverwort specimen collection specifics with fungal culture numbers.

Liverwort species	Collection Date number	Locality	Culture no.
<i>Bazzania</i> sp.	CD145	20-Jul-2000 On tree trunk along the trail to waterfall at Hollywell Recreational Park, Hardwar Gap, St. Andrew, Jamaica	F3, F5
<i>Bazzania</i> sp.	CD150	20-Jul-2000 On soil along the trail to waterfall at Hollywell Recreational Park, Hardwar Gap, St. Andrew, Jamaica	F12
<i>Bazzania</i> sp.	CD165	25-Jul-2000 Mixed with ferns on trunk of <i>Cyrtilla racemiflora</i> , along the trail to waterfall at Hollywell Recreational Park, Hardwar Gap, St. Andrew, Jamaica	F10, F11
<i>Bazzania</i> sp.	CD166	25-Jul-2000 On fallen log over Oatley Mountain Trail at Hollywell Recreational Park, Hardwar Gap, St. Andrew, Jamaica	F17
<i>Bazzania</i> sp.	CD168	25-Jul-2000 On trunk of tree along Oatley Mountain Trail at Hollywell Recreational Park, Hardwar Gap, St. Andrew, Jamaica	F8, F9
<i>Bazzania</i> sp.	CD172	27-Jul-2000 On trunk of tree along Mossman's Peak trail, Portland Gap, St. Andrew, Jamaica	F1, F4
<i>Bazzania</i> sp.	CD173	27-Jul-2000 On exposed roots and soil along Mossman's Peak trail, Portland Gap, St. Andrew, Jamaica	F16
<i>Bazzania</i> sp.	CD176	27-Jul-2000 On decorticated log off Mossman's Peak trail, Portland Gap, St. Andrew, Jamaica	F6, F7

<i>Bazzania</i> sp.	CD180	27-Jul-2000	On exposed roots and soil along Mossman's Peak trail, Portland Gap, St. Andrew, Jamaica	F14
<i>Bazzania</i> sp.	CD188	28-Jul-2000	On fallen branch at summit of Blue Mountain, St. Andrew, Jamaica	F2
<i>Bazzania</i> sp.	CD189	28-Jul-2000	On trunk of <i>Vaccinium</i> at summit of Blue Mountain, St. Andrew, Jamaica	F13
<i>Bazzania</i> sp.	CD193	28-Jul-2000	On fallen branch along trail to Blue Mountain Peak, St. Andrew, Jamaica	F15
<i>Odontoschisma prostratum</i> (Sw.) Trev.	JF7	17-Sep-2001	On soil in Loblolly pine forest behind Bennet Place historical site, Durham, North Carolina	C4
<i>Odontoschisma prostratum</i> (Sw.) Trev.	JF11	21-Oct-2001	On soil on top of Occoneechee Mountain, Occoneechee Mountain State Natural Area, Durham, North Carolina	C6, C8
<i>Calypogeia mulleriana</i> (Schiffn.) K. Müller	JF2	17-Sep-2001	On soil in Loblolly pine forest behind Bennet Place historical site, Durham, North Carolina	C1
<i>Metzgeria furcata</i> (L.) Dum.	CD367	17-Dec-2001	On bark of birch, Pisgah National Forest along the Blue Ridge Parkway, N35° 44' 54.2" W82° 20' 02.0", Yancey County, North Carolina	F22, F23
<i>Trichocolea tomentella</i> (Ehrh.) Dum.	CD368	17-Dec-2001	On soil in stream, Pisgah National Forest along the Blue Ridge Parkway, N35° 44' 54.2" W82° 20' 02.0", Yancey County, North Carolina	F19
<i>Plagiochila virginica</i> Evans	CD369	17-Dec-2001	On rock in stream, Pisgah National Forest along the Blue Ridge Parkway, N35° 44' 54.2" W82° 20' 02.0", Yancey County, North Carolina	F20
